L-W Band Boosters Get Ready For Decal Sale

The annual decal auto sticker drive will be repeated again this year by the Lincoln-Way Band Boosters and it is hoped the stickers will be in the mail to area residents within the next few weeks.

When members met for its recent meeting Robert Taylor, director, said the school will host the state band and solo ensemble contest on March 13 for band and chorus. Proceeds from the affair will be divided between the band and chorus depart-

ments. The following band members have volunteered as chairman and will meet with the chorus department chairman to organize plans: Mrs. Ernest Westphal, Mokena; Joe Hammond, New Lenox; Mrs. Edmund Ebert, Frankfort; and Mrs. Glenn Borden, Manhattan.

The cadet band will make its first major appearance Thursday, Feb. 4 when they present a program at the Frankfort, Mokena, New Lenox and Manhattan grade schools.

No Tickets For That Game Between L-W And Sandburg

Admittedly King Solomon had a tricky decision to make as to which of the two claimants of the child was its mother but what would he have done if confronted with the problem facing A. Hunter Chapman, superintendent of Lincoln-Way high school.

The Lincoln-Way - Sandburg basketball game to be played at Sandburg the night of Feb. 11 is a sell-out. Tickets are in heavy demand. Lincoln-Way suggested the game be moved to the new Stagg gym which accommodates about 1,800 but the Eagles aren't having any. They want to win this game because a win would put them in a tie for the SWS Conference lead now held by Lincoln-Way alone. The Eagles figure their own gym should be good for at least 10 points advantage and so that is where the game is to be played.

As a result Lincoln-Way has been allotted 267 tickets. It really should be expressed in past tense because there are no tickets left. They disappeared within a matter of minutes after they are placed on sale so there is no use in calling a friend who may have a friend that had something to do with the sale of the tickets, it was pointed out. There aren't any.

If King Solomon had offered to cut the tickets in two his suggestion would have been acclaimed if he could have assured admittance on half a ducat. Two may live as cheap as one but it is

uncomfortable to try to sit that way at a basketball game, it was pointed out. Supt. Chapman is sorry, folks, but he can't help it that there are no tickets for Feb. 11.

Alley Question Stirs More Discussion

The decision of the Mokena village board at its session Jan. 20 to open what was platted as an alley between Third and Carpenter streets, was slated for further discussion at its regular meeting last night.

Rudolph C. Engelhardt and Charles E. Burkhardt, who own the properties on either side of the space, were scheduled to appear and protest the board's intention to make it a roadway or alley. They contend that it has never served as such.

The board took action week before last at the bequest of Mrs. Ludwig Thiel, who lives on Third st. but not adjacent to the strip, who singlehandedly has carried on a campaign to open the alley for the past dozen years and was almost successful several years ago, she said, but lost out on a technicality.

Some 13 or 14 years ago the village vacated an alley running from Marties lane to Parker. It too was a narrow passage. A fence was erected which prevented school children from making use of it.

Mrs. Thiel said that she made up her mind then "to oppose any further closing

Plan Group Against Homes On Abbe Tract

The Mokena planning commission at its meeting last Thursday night was reported unanimous in its recommendation against the subdividing of a 20-acre tract on School House road for residential purposes. The recommendation was made to the village board.

The tract is a part of the Abbe estate. John Barton, Orland Park real estate dealer, is representing a Joliet group that proposed to build 60 houses there ranging in price from \$18,000 to \$25,000.

The parcel is included in what was designated as an industrial area on the Mokena land use map. Annexation of residential property means additional expense to the village and school districts without adequate return, it was pointed out.

of passage ways in Mokena," and determined to get the one between Third and Carpenter street opened up.

"My only interest is the public interest," she declares, "and I will not give up my fight to open this alley. I will arouse the citizens of the village and carry the fight to a finish."

Mrs. Thiel says that when she and her husband came to Mokena 35 years ago and bought their place on Third st. the alley between Third and Carpenter was being used by foot and vehicular traffic.

She also declares that the black walnut trees that are growing in the alley space were just "wisps of trees" then.

The Engelhardts and Mr. Burkhardt deny this. The late Earhart Oswald, who was 92 years old when he died some years ago and had resided in Mokena from the time he was a child, was quoted by the Engelhardts as having told them on different occasions that the only use he had ever known the strip to have was for villagers to drive cows and stock back and forth to pasture.

Select L-W Singers For Annual State Contest

The annual Illinois High School Association state contest for vocal, band and orchestra, solos and ensembles, is to be staged at Lincoln-Way high March 13.

Robert Taylor, head of the Lincoln-Way music department, would remind the public that it is invited to attend. There is no admission charge and there will be music all day, from 8:30 a.m. until 4:00 in the afternoon.

The size and time of the various events in the contest will be announced later, Mr. Taylor said.

Lincoln-Way high school does not have an orchestra but it will be represented in the band and vocal contests. The band will select its representatives for the solo and ensemble events. The singers were chosen last Thursday.

There were 30 to compete for the eight places - two for each category, soprano, mezzo soprano, alto and baritone, or as they are listed on the contest sheets, girl's high voice, girl's medium voice, girl's low voice, boy's medium voice.

Successful in the high voice category were Bonnie Fredin, a senior, and Donna Guth, a sophomore.

In the medium voice: Pat Hartnell, Nancy Ervin, both seniors.

Low voice winners are,

Jennifer Doering and Karen Mutsch, seniors.

Dennis Cappel and George Pokorney, seniors, were winners of the boy's medium voice contest.

The contest judge was Maurice Jones, of Rich East. The Announcer was Warren Anderson; secretary, Pam Mueller and practice room chairman was Toby Nichols. Accompanists for the contest were, June Swanberg, Harry Smith, Valerie Tuttle, Larry Subbert, Lynda Schreffler, Patsy Grisham, Judy Kalkbrenner, Kathy Scherer and Pat Hartnell.

Interest in the band has

increased steadily over the years and Taylor has a large number to work with now.

The band contests are held in districts prior to the finals but the solo and ensemble contests as well as the solo and ensemble contests for singers and orchestra are the last step.

Lincoln-Way does not have an orchestra yet but Mr. Taylor said there have been numerous inquiries and suggestions that one be established at the school. The band and the choruses have done exceedingly well in state competitions, it was pointed out.

More Winter? Six Weeks! Groundhog Saw His Shadow

Well, he did, and it certainly seems like it.

Interpreted that means the Groundhog saw his shadow Tuesday, Feb. 2, and presumably plopped back in bed, thus forecasting at least six weeks more of winter. Naturally, a couple of cold days aren't six weeks of cold and discomfort but when the temperature gets down 12 to 14 degrees below zero as it did Tuesday and kept hovering around in the sub-zero bracket for a couple of days it is difficult to remember when it was warm.

All those ultra hot days of last summer that we groused about are forgotten now--particularly the vows that we wouldn't complain about the cold this winter, no matter how cold cold was. One hears some say now that regardless of how hot it may get this summer they will be all for it, with nary a word of complaint.

Even if the groundhog - it only seems right to capitalize him when he is making his formal and official appearance - got up late Tuesday he would have seen his shadow, unless of course he kept his eyes closed or bandaged.

There is one thing about this, tho. Even if the Groundhog saw his shadow and stayed up we still could count on six weeks of miserable weather in these latitudes. It may not always be down around zero, or out and out winter but one can count on it being cold, wet and a thoro mess.

hicles did use it.

"From what I have been able to learn alleys are not intended for use as streets and in some communities serve only for deliveries, pick up of garbage, or give residents access to garages that may open along them. We can see no practical purpose in opening this alley and to build and maintain it would be an expense to the village."

There is a garage on the Burkhardt place and a barn on the Engelhardt property, neither structure being in the alley, Mrs. Engelhardt said. The tenant on the Burkhardt property gains access to his garage off the alley. The Engelhardts do not use it to reach their barn.

Mrs. Thiel contends that if Burkhardt's tenant can use the alley to reach his garage, which is at the north-end of the property, then everybody should have an opportunity to make use of the alley.

It is a long block from School House road to Midland ave., she said, and this alley could serve as a street for those who wanted to take a short cut.

Palos Historical Society Seeks Data On Early Days

Directors of the Palos Historical Society met at the Community Center Foundation, 127th St. and Southwest Highway, Palos Park, to map plans for the coming year, including further work on a history of the Palos area, distribution of a collection of "Palos Letters," and a spring tour of the Palos area.

The proposed history of Palos is a major project still in the initial stages, with Dr. Donald F. Bond, 8823 West 126th Street, Palos Park, serving as chairman of the committee directing the work. The committee will appreciate any and all appropriate information available on early settlers. It has names and places; it would like to support this information with old letters or documents of the period from 1830 to the present.

Anyone having such material is invited to contact the Society thru its headquarters at the Community Center Foundation, telephone 448-0780.

The Society this month published a collection of Palos letters in which "old-timers" tell of earlier holiday seasons here. The letters were obtained both from present residents of Palos, and from others who were here in earlier years but who had since moved away. Miss Catherine McQuarrie

edited the collection. In addition to holiday stories, the collection provides considerable general historical information on early days in Palos. Copies of the book are available to students and others for research use.

The date has not yet been set for the spring tour but it will be timed to coincide with the known and definite harbingers of spring.

The Society will entertain its members and their guests at a pot - luck supper Feb. 3 at the Community Center Foundation. Applications from those interested in joining the Society are welcomed.

MR. AND MRS. JAMES FETZNER

Exchange Vows At Nuptial Mass In St. Mary Church

Miss Joanne Weber and James Fetzner were united in marriage at a 12 o'clock solemn nuptial mass in the late fall at St. Marys Catholic church, Mokena. The ceremony was performed by Rev. Ronald Dimm, OFM, who was assisted by Rev. Cecil Koop OFM, and Rev. Gerald Schubert OFM. The couple also received the Papal blessing.

The bride is the daughter of Mr. and Mrs. William Weber, Schoolhouse road, Mokena and the groom is the son of Mr. and Mrs. William Fetzner, Cedar road, New Lenox.

Music for the ceremony was played by Robert Mentor and the choir sang.

Escorted by her father to an altar enhanced by white gladioli and bronze fuji mums and palms, the bride was beautifully attired in a gown of white satin, fashioned with a gently scooped neckline and three-quarter sleeves. The bodice was adorned with re-embroidered Alencon lace creating an overblouse effect with scalloped border and the bell skirt was richly panelled in the same lace. Unpressed pleats at the side and back extended the skirt into a wide train, also applique with Alencon. Her tiered ballerina veil of silk illusion cascaded from a double coronet of aurora crystals panelled in small lace petals. She carried white butterfly roses, white feathered fuji mums and white thistle pom-poms which cascaded down in streamers.

Miss Janice King attended as maid of honor. She wore a short gown of willow glaci satin fashioned on sheath

like lines and worn with a floor length overskirt finished with a narrow sash and flat bow. The bodice was designed with a scoop neckline and three-quarter sleeves. She carried a cascade of gold fuji mums.

Dressed identically with Miss King, but with gowns of gold color were Mrs. William Weber Jr., sister-in-law of the bride, Miss Sheri Zervos, Miss Marlene Lynch and Miss Rosemary Lynch, cousins of the bride.

Attending the groom as best man was William Sheridan, and ushers were William Weber, brother of the bride, Thomas Fetzner, William Fetzner, brothers of the groom and Michael Merfeld.

Joseph Stephen Weber was ring bearer.

The brides mother, Mrs. William Weber, wore a blue lace and satin dress with matching accessories. She wore a corsage of white and pink cymbidium orchids. The groom's mother, Mrs. William Fetzner, was attired in an apricot silk dress. She also had a corsage of beige cymbidium orchid.

The two grandmothers, Mrs. Emil Weber and Mrs. August Fetzner had a corsage of white carnations and pink sweetheart roses.

Mr. and Mrs. William Fetzner were hosts at a rehearsal dinner at the Blue Willow, Lockport. A wedding breakfast was held at Valley View Farm restaurant immediately following the ceremony.

Arbury Hills

Discuss Formation Of A Sanitary District

MRS. EDWARD HOVI Telephone: 479-5740

There were well over the necessary number of members present at the January meeting of the Arbury Hills Civic Association.

The presence of Robert Holquist, the attorney retained by the Civic Association on the water issue, and Walter Kelleher, a price consultant from a bonding company, apparently brought about the large turn out.

Dick Heim, the president of the Civic Association, called the meeting to order and immediately appointed Joseph Mangan as chairman of the election committee.

Mangan then took over the election of officers thru nominations from the floor. Nominated for president was Dick Schwartz; as vice-president-Carl French and Mary Williamson, secretary-treasurer Al Dornseif.

Those nominated for the board of directors were: Joseph Mangan, Joseph Arcuri, Emery Mann, Len Ferro, Bill Lachowicz, Jim Lillie, and Charles Wert.

Since there were uncontested candidates for all except one office, the uncontested candidates were elected by acclamation, and

Junior Woman's Club Planning Fashion Show

Fountains of Fashions is the theme set for the Orland Park Junior Woman's Club annual spring fashion show which will be held again this year at Silver Lake Country Club on Friday, March 19.

Assisting Mrs. Allen Sims, general chairman, in planning this affair are: Mesdames James Whiteford, Paul White, Earl Tracy, Milton Westlund, Bill Bishop, John Furlong, Tom Sacco, Wayne Griffin, William Bonner, Ronald Burman, George Hoffman, Lester Money Del Gabel, William Rietveld, LeRoy Tinsley, Omer Henry, Roy Martin, James McCarthy, James Riley, Joseph Naimo, and Ronald Hammortree.

The Orland Park Junior Womens Club is happy to be the winner of a hat on the Lee Philip show on WBBM TV, on Jan. 6. The bonnet will be given as a prize at the fashion show.

the one contested office was voted on by open vote after the agreement of both candidates to this method. The vote saw Mrs. Mary Williamson elected as vice-president.

Following the election the attorney, Robert Holquist was introduced to the group to discuss the possible recourses on the water situation in Arbury Hills.

He was obviously pessimistic to any hopes of the water rates returning to their former level even with an appeal to the Illinois commerce commission, though we are legally allowed to file a protest.

In Holquist's opinion a more logical recourse to the problem would be for the Arbury Hills area to investigate the possibility of forming a Sanitary District in order to purchase the water and sewer system. In this manner a closer control could be maintained by the local people in the area of quality of water and more reliable maintenance service than is presently available, it was said.

Steps in formation of a sanitary district begin with a petition signed by 20 per cent of the registered voters of the area. The petition is then filed in the Will county Circuit Court. A public notice is then published in the local paper and also the same notices posted in conspicuous places thruout the area. Stating the time, place, room, and location of the hearing on the petition. Residents can appear personally to express their opinions for or against a sanitary district.

If the judge decides that there is sufficient interest and in the formation of a sanitary district, a date for a special election is held.

The issue is decided by a simple majority of the votes cast.

If a district is approved the court would then appoint the trustees which are local residents. The trustees hire attorneys and engineers to settle the legal issues involved and the approximate reasonable price on the water and sewer works.

In the event that a mutually satisfactory price cannot be decided by the sanitary district and the holders of the water and sewer works, the Illinois commerce commission is petitioned for condemnation proceedings and the establishment of a fair price by the courts.

At this point, Walter Kelleher, the price consultant took over and stated that he would, with the permission of the local residents, make a personal investigation of the area and the properties concerned to determine with reasonable certainty whether or not the area could afford to form a sanitary district and ultimately purchase the local water and sewer works.

The possible purchase would be financed thru general obligation bonds, which are paid off thru real estate taxes, and revenue bonds which would be retired thru sewer and water rates.

The new president and new board of directors will meet shortly to discuss the matter and decide whether to

authorize the informal investigation by Mr. Kelleher. If the decision is favorable, the investigation will be made and Kelleher will be asked back to a later Civic Association meeting.

A group of parents with-in the Arbury Hill Kindergarten Organization has privately looked into possible kindergarten class for Arbury Hills youngsters next year, since apparently there will be no room available at the school next year.

These ladies, under the chairman, Mary Williamson, have contacted the Tinley Park Nazarene church at 7265 W. 171st street and will be permitted to enter the 29 children whose parents have expressed the willingness to send their children to a private kindergarten.

Negotiations are going forward to contract bus service for these children for the morning with the Pfiffer Bus Company, the same company which provides service for the Arbury Hills school.

Anyone still interested in having a child enrolled in the kindergarten is asked to contact Mrs. Williamson at 479-5603.

This is a private kindergarten which requires the payment of tuition and is not being financed by the public school in Arbury Hills.

The Arbury Hills Boys Baseball League held a special combined meeting at the school on Jan. 27. At that time there was the appointment of the chairmen of the nominating committees of the organization and its women's auxiliary. The chairman of the men's committee is Len Ferro and his co-chairman is Joseph Mangan. The chairman of the woman's committee is Mary Anne Tekotte and her co-chairman is Ruth Burt.

On Feb. 2 there will be a meeting of the rules committee at the home of Joe Arcury. This will include the managers, coaches, and umpires and the establishment of the rules for the games.

Former S & L Officer's Heart Bleeds For Self

(CNS) "Stop telling yourself it wasn't. You let down the hundreds of little people who put their money into the Beverly Savings and Loan."

This was the advice U.S. District Judge Hubert L. Will gave Howard B. Quinn, 44, of 8930 South Leavitt st., former board chairman and principal stockholder of Beverly, last week in sentencing him to three years in federal prison for misapplication of \$648,166.

Quinn became the eighth person to receive a jail sentence in the third savings and loan prosecution to be completed in the last year. Previously Judge Will sentenced two men in connection with Tinley Park Savings and Loan and Judge Julius Hoffman five in Concord Savings and Loan. All are on appeal.

Quinn personally pleaded with the court before the sentence was imposed that the board of directors at Beverly waited five days after its approval to object to paying \$553,166 advance rent for four years on the bank building at 8001 South Western ave. to his Quinn Management Co., proceeds of which he used to pay a bank loan and buy more capital stock.

"Then I gave them a \$500,000 judgment note which is driving me slowly nuts," he told the court. "They moved into my farm in Wauconda, sold over \$400,000 in cattle and equipment for \$75,000. I am trying to start life over again and pay for my five youngsters' education."

Assistant U.S. Attorney John Powers Crowley told the court that the case "illustrates what is all too common in this industry: the men in control of the savings and loan funds of others treating Plan Ponds

(CNS) Development of a lake on Forest Preserve property in the St. Michael Preserve, 167th St. and Cicero ave., was approved this week by the Cook county Forest Preserve District. There will actually be two lakes, one of 26 acres and a second of 13 acres, which will be developed for fishing and recreational purposes.

Negotiations are being undertaken with the Illinois division of highways for removal of 1,470,000 cubic yards of fill, which could be used in construction of the interstate highway system.

it as his own domain, so that the vast majority of institutions which are run on a sound basis suffer by it."

Judge Will told the defendant he should "stop rationalizing the case to yourself."

"You don't accept the obligations of a fiduciary. You were trying to fly too fast and too high. You have all the acumen necessary to be a business leader, you just lack the self-restraint."

"If as the result of this case you achieve some kind of restraint you can still serve the community and yourself."

He allowed Quinn to remain at liberty on \$5,000 bond pending appeal. The Beverly Savings and Loan is under voluntary liquidation, and a suit has been filed to recover the misapplied funds from the creditors who received preference.

Sandburg And Lincoln-Way Hold To Winning Ways

Eagles Rally To Defeat Viking Cagers, 62 To 56

BY ED PETERSON

Altho it was in a losing cause, Homewood - Flossmoor's Vikings gave the Eagles a scare in last week-end's basketball action.

Playing a stalling game, the dwarfed Viking five controlled the ball for most of the first half, enjoying an eight point bulge on the scoreboard at its close.

Led by guard, Don Hlady, the H-F floorballers returned to the round in the second half with a relish soon to be dampened by the ever-powerful Eagles. Sharpshooter Van Broman started hitting on his long jumpers from all over the court and forward Drew Corley began to fight for those elusive rebounds. Playmaker Doran Harding finally got the ball in to Bruce Hyink, 6'9" center, and the game started to follow the regular pattern toward the end of the fourth quarter.

Sandburg was on top of a 42-40 lead at the end of the third period and still was sweating the outcome of the contest. A time out with 5:23 left to go in the battle showed H-F atop a one point margin and the Sandburgites really began to sweat it out. Two quick baskets, one by Broman and one by Corley

gave the Eagles a 50-47 lead with barely four minutes of play left. From this point on the opponents began to watch baskets until the scoreboard buzzer went off. The final score was 62-56 with the Sandburg five holding the upper hand.

A technical foul was called on the Homewood coach by one of the referees for protesting a call in the third quarter, and amidst a shower of boos and catcalls, Carley calmly stepped up and dropped thru a one-pointer.

Corley collected 20 points in the battle and Broman 18 on nine of his specialties, that long bomb from 25 feet out. Hyink scored 17 and Harding 4 in the contest.

High scorer for Homewood was Hlady, a midget in this big man's game at 5'6". Relying on speed to get him in the clear, the tiny guard hit for 24 points on eight buckets and eight free throws.

Next game will be Rich East at their home court. Altho they presented no big problem in the first encounter, they are a team to be respected. Forward Bob Bladek and guard Bauch were the two big men in the initial battle, Bladek scoring 17 points and Bauch being deadly as a playmaker.

CSHS Swimmers Win Own Invitational Competition

Carl Sandburg swimmers won their own Invitational meet last Saturday by a large margin, setting two varsity records and one meet record.

The Eagles 80 1/2 points put them way above Thornton, Riverside Brookfield, Thornton Fractional South and East Lyden.

The freshman will be going to the Glenbrook Invitational this Saturday where the best of northern Illinois high school freshman teams will be competing. The varsity's next appearance will be in the conference meet a week from this Saturday at Sandburg.

At the Sandburg Invitational the two varsity records

were set by Alen Stelter and Bob Hutchinson. Stelter's record time of 1:08.5 for the 100 yard breaststroke won that event while Hutchinson's record came with his win in the 50 yard freestyle with a time of 23.2.

The meet record came in the opening event, the 200 yard medley relay. Mike McNaughton, Stelter, Terry Brazel and Steve Olsen swam that event in 1:47.8.

Other first places went to Hutchinson in the 100 yard freestyle, George Ware in the 200 and 400 yard freestyle, Brazel in the 100 yard backstroke.

Seconds went to Jim Deliege and diver Tom Johnson.

Mat Tourneys At Stagg

Two high school wrestling tournaments, earlier scheduled for Carl Sandburg, have been switched to Amos Alonzo Stagg high school, according to Joe Devine, Sandburg athletic director. Both the sectional and district tournaments have been moved to the Stagg gymnasium because it will hold more fans in comfort. Sandburg will still be the host school, Devine said.

Six schools, including Sandburg, will compete in the district tournament at Stagg on Feb. 12-13. Winners and runners-up in the

12 weight classifications will advance to the sectional tourney the following week.

Bremen, Naperville, Lincoln - Way, Oswego and Tinley Park will meet the Sandburg wrestlers in district competition. The first match is scheduled for 7 p.m. on Feb. 12, action continues at 1 p.m. on Feb. 13 with the finals set for 7 p.m.

On Feb. 19-20, winners and runners-up in the Sandburg district will meet wrestlers from the Calumet City, Lockport, and Park Forest district tournaments in the sectional at Stagg.

Eagle Grapplers To Wind Up Regular Season Friday

The grapplers of Carl Sandburg will face their final opponents this year when they meet the Vikings of Homewood - Flossmoor at 7:30 in the Eagle gym Friday night.

In last weeks action the Eagles defeated Oak Lawn 25-16, but lost to Naperville 21-17.

Against Oak Lawn the Eagles took a total of eight victories and one tie, out of 12 weight classes.

Eagles wins were gained

by Danny Peterson, Tom Osting, Bob Hunnewell, Rick Miller, Harry Werner, Karl Panezek and Ed Apel.

Larry Cobden posted the only Eagle pin of the meet, at 3:38 in the second period. Richard Fitzpatrick was the victim of an Oak Lawn pin, while Larry Clark and Wally Sobut lost. Tom Haislet tied 4-4.

Against Naperville the Eagles only managed to post five wins of the 12 matches. The Eagle winners were Tom Osting, Bob Hunnewell, Larry Cobden and Rick Miller. Ed Apel posted and Eagle pin.

The sophomores defeated Oak Lawn 33-12, while the freshman, led by Mark Leatzows 14th win and 11th pin, soared to their 5th straight victory, beating Naperville 29-22.

After tomorrow nights match the Eagles will prepare to enter the district tournament Feb. 12 and 13 at Stagg high school.

L-W Blasts Mustangs But Finds Plainfield Tough

BY NORM BEEBE

Lincoln - Way scored a double victory last week-end by defeating Evergreen Park 76 to 40 Friday night in a conference tilt and Plainfield 60 to 59 Saturday night in a non-league contest.

Rolling over the Mustangs of Evergreen Park by 36 points last Friday, the Knights kept a perfect 9-0 Southwest Suburban conference record and moved their season record to 14 wins 3 losses.

The Mustangs simply could not dismount the high-riding Knights. Evergreen held a 1-0 lead early in the game but that was the only time they were close.

The Knights were lead by senior forward Rick Schroeder who canned seven out of 12 shots from the floor and nine out of 10 free throws on route to 23 points. Bill Stanfill had 15 counters for the Knights while Mike Seitzinger, a 6'3" sophomore, connected for 13 points and senior forward Tom Hamilton tallied 12. Keith Schram lead the Knights in rebounds by snagging 10 to add to the 37-27 rebound margin held by his teammates.

Randy Muersch was high in the Mustangs scoring column with 11 points. The Mustangs now sport a one and 8 SWS conference record and a 3 and 12 record in overall competition. This is the second victory by the Knights over the Mustangs, their first coming earlier in the season when they downed the Mustangs 88-58.

Lincoln - Way held the Mustangs scoreless for over five minutes in the first quarter and ramblod to a 21-5 first period score. It seemed to be a hopeless case for Evergreen who fell behind 33-7 at one time in the second stanza. The Mustangs then mounted their only drive of the evening and brought the score to 43-20 at the midway point of the game.

When the score reached

60 to 28 the Mustangs tried to freeze the ball and keep the Lincoln - Way substitutes from running up the score. But it was to no avail. The Knights relentless attack completely baffled the Mustang quintet as Lincoln-Way marched to a 66-30 third stanza score. The Knights entered the 4th period only as a mere formality and matched their opponents output of 10 points.

Saturday evening the Plainfield Wildcats came within one point of the Knights only to drop it by that very narrow margin.

Howie Grimes led the Knights to their victory over Plainfield by sinking seven out of 10 from the free throw mark and eight out of 13 from the floor to give him 23 points. Keith Schram followed Grimes by contributing 13 points while Bill Stanfill and Mike Seitzinger tallied 10 points each. This is the second time the Knights downed the Wildcats the first coming earlier in the season when they stunned Plainfield 91 to 57.

Dolan was high in the scoring for the Wildcats with 20 points, followed by Ranworth with 18. Plainfield now has a 2-14 record.

Lincoln - Way led the Wildcats to a 13 - 10 first period score and battled to a 28-25 margin at the half. The Knights started to pull ahead in the third period, but conceded most of the lead in the fourth period when Plainfield topped the Knights 20 points to 12.

The Working Classes

J. A. WARD

To all of you that will be looking for new job opportunities during the New Year either through choice or necessity: Don't overlook those fringe benefits such as profit sharing, coffee breaks, free lunches, extra supplementary vacation pay, accumulated sick leave, fully-paid hospitalization, insurance for you and your family, etc. We find there are two schools of thought with respect to fringe benefits. There are those who seem to feel that these benefits rate above job opportunity and working conditions, and then there are those who seemingly have very little interest in fringe benefits.

Profit sharing is one of the most positive benefits that one can have as it brings you extra money each year, after you have been with the company the required time to be eligible for their profit-sharing plan.

A fifteen minute coffee break twice a day projected over a full year amounts to over three weeks (based on a 40 hour week) of free time, when you are allowed to relax from your work.

With the cost of lunches being what they are, those companies that provide free lunches are actually giving you \$5 or more each week in this benefit. Over a full year this can amount to more than a \$250 saving to you.

Supplementary vacation pay provides you with some extra cash to help make that vacation trip possible and more enjoyable.

Accumulated sick leave pay is another very important fringe benefit. Many companies now feel it better for an employee with an infectious-cold to stay home for a few days to avoid spreading the cold to other employees in the office. When you consider the number of days that all of us suffer from colds, flu, and other illnesses during the year; then you will have a greater appreciation for sick leave pay.

Most of us take hospital insurance pretty much for granted. But unfortunately there is a wide variation of benefits under the term hospitalization, so don't wait until you are in the hospital to find out what your insurance does or does not cover.

Fringe benefits are possibly not your most important consideration in job selection but they should be included in your final decision.

CONFLICTS AHEAD—The war on poverty has already created conflicts in many communities over who gets the funds and has resulted in conflicts within the Administration itself. While the Small Business Administration is making small loans to private enterprise, the Agriculture Department is promoting co-ops which may compete to serve customers.

IN ROUND NUMBERS—The minimum cost of the federal anti-poverty drive has been placed at \$100 billion over the next 10 years, by Michael Harrington, a consultant to the program.

HIGH FINANCE—It has been estimated that it costs the taxpayers a total of \$2 million to maintain a single senator over his six-year term.

DEFAULTS—More than 22,000 students who obtained federal education loans while attending college have defaulted in their payments. The General Accounting Office reports.

February 1, 1893—Construction of the world's first motion-picture studio at West Orange, N. J. was completed. The project was financed by Thomas Edison to the tune of \$637. The next day a sneeze became the first film close-up, featuring comedian Fred Ott.

February 7, 1827—The first American ballet troupe appearing at New York's Bowery Theatre was interrupted by a mass walkout of women in the audience. (The ballerina, Madame Francisquy Hutin, was thought to have dressed in such flimsy attire that the women felt obliged to leave.)

February 10, 1933—The first singing telegram was introduced to New Yorkers.

February 16, 1607—John Sprat, archdeacon of a London church, became the subject of the now famous nursery jingle, "Jack Sprat could eat no fat..." Neighborhood children set his eating habits to rhyme and serenaded him for the first time. (The archdeacon had a reputation for eating daintily, while his wife had an enormous appetite.)
